

PRESS RELEASE

Clarification regarding ownership in Latour

Today, Latour's owner Carl Douglas divested 1.536.000 shares of series B in Latour through an internal transaction within the Douglas family. As a member of the Board of Directors in Latour, Carl Douglas also fulfilled his reporting duties to Finansinspektionen (Swedish Finance Authorities). The acquiring companies, that are controlled by the Douglas family, does not have the corresponding reporting duties. The information that is published by Finansinspektionen can thereby be misleading for those that only see that piece of information.

The Douglas family's ownership is thus unchanged.
