

## **PRESS RELEASE**

### **Latour updates base prospectus and increases the nominal amount to SEK 12 billion**

Investment AB Latour (publ) ("Latour") has increased the nominal amount for the company's existing MTN programme from SEK 10 billion to SEK 12 billion or the equivalent in EUR. Latour has also prepared an updated base prospectus for the MTN programme that today was approved and registered by the Swedish Financial Supervisory Authority (Finansinspektionen) and published on Latour's webpage.

Latour established a programme for issuance of bonds, so called Medium Term Note programme, on February 10, 2018. MTN may be issued in SEK or EUR with varying maturities, but at least one (1) year. Nominal value per MTN may not be less than EUR 100,000 (or its equivalent in SEK). The general terms and conditions of the MTN programme are found in their entirety in the base prospectus.

The base prospectus has been prepared to continue to enable issued bonds under the MTN programme for admission to trading on a regulated market in Sweden and the base prospectus has a validity period of 12 months from date of the approval from the Swedish Financial Supervisory Authority. The base prospectus is available on Latour's webpage, [www.latour.se](http://www.latour.se), and will in a few days be available on the Swedish Financial Supervisory Authority's webpage, [www.fi.se](http://www.fi.se).

Handelsbanken is arranger of the MTN programme and appointed dealer together with SEB. Baker McKenzie has been acting as legal adviser in relation to the establishment of the MTN programme and updating of the base prospectus.
